

Aloha,

I'm so excited to announce my return to **Maui, Hawaii** this year on **May 1-8** for the Arts of a Woman in Business. Come join me for this special event on my favorite beach Keawakapoo.

Many of you know, I lived on Maui for 6 years and held events and seminars there for 10 years.

I can't wait to feel the soft air kiss my face the minute I land on the islands. There's no air like it anywhere in the world!!

Maui holds a special place in my heart from all the amazing experiences I've had there including the birth of two of my children. This is such an amazing event for me to host in one of my favorite places in the world.

Maui is magical! You'll become more connected to yourself than you probably have ever felt before.

**Mahalo,
Gigi Sage**

Tuition: \$1997-plus lodging

(includes workshop, all meals at condos, day trip transportation, transportation to and from airport, and workshop activities)

Arts of a Woman in Business The Feminine Path to Self-Actualization

"I don't believe people are looking for meaning in life as much as they are looking for the experience of being alive."

- Joseph Campbell

Discover the Arts of a Woman in Business as you gain insight into what feeds your soul and how to create a life, business and career in which you are relaxed, inspired and living your destiny. . .

Are you a successful woman so busy running your business, your career and/or family and dealing with day to day responsibilities that you've lost sight of who you are and your vision for yourself and your destiny? You're not alone! In our busy society - where women struggle to balance careers, family, relationships, friends, aging parents and fitness - how do you get clear?

When stress enters the body, intuition is clouded and you become confused and tired. Because you are busy, you just keep going and ignore that you no longer sense and feel life. If you do this for several years, the gap between

what you have and what you want continues to grow. You begin to suppress what you want and need in order to cope and it doesn't take long before you completely forget what's important to you. As a result, your business, health, beauty, vitality, income and everyone around you suffers at some level.

Arts of a Woman in Business is an **8-day business and beauty retreat** for women who are ready to take their personal and professional lives to the next level. Reinventing and reconnecting with yourself is a journey, but you must first get clear about where you are going and what you want to create. You must stop the mind, heal the body and reawaken your senses in order to truly discover your next steps. Come join a group of fun, empowering women in **Maui, Hawaii** for the **business retreat of a lifetime**. In eight days you'll hardly recognize the radiant, feminine you that emerges. You will return home rejuvenated, with new friends, great memories and a clear map to fulfill your destiny.

"Simple shifts in the way a woman moves through her life can open doors that before always seemed closed. I have created the Arts of a Woman in Business to bring out the feminine, beautiful woman every woman longs to be."

- Gigi Sage

Retreat Overview

This is a brief overview of each day of the workshop. Every morning the group will enjoy walks on the beach, swimming in the ocean, movement, deep long breaths in the ocean breeze and other various organized activities. Afternoons will be dedicated to classroom-time and group exercises. Evenings will typically be fun/relaxing activities such as hula dancing, massage, healthy cooking and a few surprises from the wonderful Hawaiian traditions. For lunch and dinner, we'll all cook together and eat together. You'll learn nutritional fun meals you can incorporate into your life when you return home.

"The best and most beautiful things in the world cannot be seen or touched. They must be felt with the heart."

- Helen Keller

Day 1 (Saturday): The Art of Spirituality & Wellness

Unwind and reconnect with yourself. For breakfast enjoy the **yummy local tastes** of fresh tropical fruits with local Kona coffee or Hibiscus and Mango tea. Let the **ocean breeze** and saltwater **dissolve your worries** (and jetlag) as you let go and enjoy a sensual relaxing week. Experience exercises to deepen your connection with yourself and the magical island of Maui. "Before" pictures and short coaching interviews will help you gain perspective for your 8 day adventure.

Day 2 (Sunday): The Art of Beauty

Beach sand scrubs in the morning and natural beauty goodies for your skin from the kitchen. **Reawaken your inner beauty** and outer beauty and explore the image you want to present to the world. Take part in the fun and light-hearted "**what's my walk?**" exercise. Practice movements that awaken your grace and sensual style. Enjoy getting feedback and coaching on your look, your style, your hair and **what**

makes you unique! We'll have a surprising fun activity for the evening. This is just one of the many ways that you will refine and design the "**brand**" of YOU.

Day 3 (Monday): The Art of Relationships

Get a reflection of how you interact with men, both personally and professionally; what's working and what's not working? Reinvent your current relationship OR if you want to find a man, make a plan. "Girl Talk" Q&A about the **bedroom (sex, sexuality and playfulness) and the boardroom (get what you want in business)**. A group dinner brings us closer together as all your questions about men are answered at last! Role-plays and exercises will give you tools to build successful relationships with your associates, family and friends.

Day 4 (Tuesday): The Art of Relaxation

Sometimes **taking a break** from thinking is when the most progress is made! Enjoy a fun day exploring the island as a group. Take a ride in a jeep along the famous **Hana highway** and enjoy swimming in the refreshing waterfalls of Hana. This day still to be determined.

Day 5 (Wednesday): The Art of Feminine Self-Actualization

Get clear about the career and life you are in the process of manifesting; is it a **healthy conscious design** that is sure to bring you success and happiness or is it solely dependent on the roles you're playing? Let all the masculine façade fade away as you learn to approach your life and business with the **inner strength of your femininity**. Discover your deepest desires and drive them to reality by discovering your untapped potential to create a life of **passion and pleasure** while balancing your priorities. One-on-one intensive coaching interviews with Gigi Sage offer an unparalleled look at your most authentic self.

so as to have the life that is waiting for us."

Day 6 (Thursday): The Art of Destiny

Discover your destiny using Gigi's **soul searching processes** and reveal your calling on this planet. We'll work with Gigi's success materials for you to choose the success you want to create at the perfect pace for your lifestyle. Using creativity, movement and pleasure your destiny will unfold while you listen to the **sounds of the waves and connect with your inner rhythm**. Leave with a plan to incorporate your new visions and clarity into your career, family and lifestyle.

*"Only those who have learned the power of sincere and selfless contribution experience life's
deepest joy: true fulfillment."
- Tony Robbins*

Day 7 (Friday): The Art of Service

Experience the beautiful art and true service of "**Japanese Tea Ceremony**." Feel deeply connected and peaceful through sharing this **ancient art of precision and grace**. Gather traditions and rituals to bring back into your life and business. Observe service in a profound

setting of simplicity and beauty. Complete ceremony with an informal discussion on ways to be in service and contribute. Remainder of day spent being in service to each other, shopping for the perfect "10" outfit for each person.

Day 8 (Saturday): Photo Shoots and Putting it all Together

By day eight, you are radiant. You've relaxed and re-connected with your body and yourself (not to mention a wonderful new group of friends) and you have watched as an incredibly beautiful, feminine, and focused woman has begun to emerge. This is the day to put it all together, **capture the new you on camera** in your personal photo shoot and "after" pictures, and wrap up an incredible week on the breathtaking beaches of Maui, HI.
