

Benefits of Telephone-Coaching

Showing up is more than walking into the office, or into a boardroom meeting.
How do the employees in your organization show up in your business today?

- ✓ No travel costs.
- ✓ No loss in productivity due to travel time.
- ✓ Easily integrate Telephone-Coaching into schedule.
- ✓ Simultaneously bring people together internationally.
- ✓ Constant contact to check in often.
- ✓ Real-time issue resolution.
- ✓ Compliments current performance management efforts.
- ✓ Uncover hidden strengths already inside your organization.
- ✓ Gain knowledge: how by making even the smallest shift in communication can translate into huge results for your organization.
- ✓ Bring employees together for a different kind of organizational effectiveness coaching, focused on curiosity, clarity, and connections.

Telephone-coaching creates high performance workgroups through a new procedure: coaching over the phone. Explore new skills to connect people inside and outside of your organization. Create a constant environment for teams to stay connected. Easy to organize and adds zero travel costs.
